## Buildings and Grounds

Sonny Crutchfield is our new Buildings and Grounds Coordinator. He has already taken care of the well pump problem. We now have water. He has a list of projects and improvements that he would like to work on, but he wants your ideas too. If you see something that needs to be taken care of or have some ideas for improvements please contact him at [scoutingsun@gmail.com](mailto:scoutingsun@gmail.com).

## Work Night

While hams are cooking Friday, December 21 from 6pm to 8pm we will be having a scout work night. We will be cleaning up the grounds, cleaning the flagpole and pouring concrete.

## Committee Meeting

The next Committee meeting is Jan 10, 2008 at 7:00 pm in the Scout Hut. As is always the case, the meeting is open to all adults. This is a great opportunity to get information and present information, ideas or concerns to the troop committee. All adults with a position within the troop should attend and provide an update.
